

PHA GLOBAL SUMMIT 2024

Advancing Healthcare Together

ADVANCING HEALTHCARE TOGETHER

The Planetary Health Academia proudly presents the inaugural PHA Global Summit 2024, a groundbreaking International Medical Conference set to unfold in Bangladesh from February 22 to 25, 2024. This exceptional event extends its impact with pre-conference courses, workshops, seminars, hands-on training, round table discussions, and panel sessions, providing a comprehensive platform for immersive learning and collaborative engagement. The pre-conference segment from February 18 to 23, 2024, offers an extended learning experience for participants.
